

NEISA Awards Committee Report:

The NEISA Awards Committee honors the NEISA Sailors of the Week. We strive to make the Sailors of the Week releases as professional as possible and include photos and links to the recruits. These releases get emailed to the NEISA lists each week and are posted to the NEISA website. Anyone is welcome to nominate sailors for the sailors of the week by simply emailing these nominations to Frank Pizzo at frank.pizzo@gmail.com. We actively seek out nominations from race officials and umpires for nominations of team race events.

The NEISA Awards Committee also honors the All NEISA teams at the conclusion of the spring season. The Women's All NEISA Team will be announced at the conclusion of racing at the Jerry Reed Trophy on Sunday April 26th. The Coed All NEISA Team will be announced at the conclusion of racing at the Coast Guard Alumni Bowl on Sunday May 3rd.
