

## **NEISA Awards Committee Report**

The NEISA Awards Committee comprised of Amanda Callahan (Chair), Greg Wilkinson, David Thompson, John Mollicone, and Frank Pizzo honors outstanding performances of NEISA Sailors in the weekly Sailors of the Week Releases and through the All NEISA Teams. NEISA's representation on the All-America Committee comes from the NEISA Awards Committee. For 2014, John Mollicone and Frank Pizzo were NEISA's representatives on the All-Committee and the conference's talented sailors were well represented on the All-America Team. The committee works hard to ensure NEISA's top performers are well represented in these post season awards.

For 2016, we encourage sailors and coaches to continue to nominate sailors that they think deserve Sailors of the Week recognition. We plan to continue to share the Sailor of the Week Releases through the NEISA Website and will share these releases on the NEISA Facebook page. We will continue to solicit forms for All NEISA Crews.

The All America Committee is considering increasing the number of All America Crews from up to 20 to up to 25. The NEISA Awards Committee is in favor of this increase and we will NEISA's prospective on this.

Respectfully Submitted,
