

## NEISA Awards Committee Report

### Fall 22:

- Awarded weekly to a Women's boat/team and Open boat/team.
- Season goal was to have nominations and votes in by the Tuesday following a weekend of competition and to post to the website and social by end of day on the Wednesday following the weekend of competition.
- John Mollicone and I will be representing NEISA on the All America Committee in the Spring.
- Watch List will be announced on Feb 15 as per NEISA Regs.
- Nominations for Sailor of the Week awards were slim this Fall. Nominations really help in the Spring during team racing to identify stand-outs from each team. Please send me nominations, even if they seem "obvious" or "long shots" –best performances is not the only consideration for weekly awards, we also look for personal best and team best finishes.
- Please feel free to provide any feedback – this is my second year on the committee so I am sure I can learn a ton! If you think we can improve our announcements or have any other general feedback you can email me at [reebcca.mcelvain@dartmouth.edu](mailto:reebcca.mcelvain@dartmouth.edu)
