

03.22.2023 NEISA Executive Committee Meeting Minutes

Start _____

Action Items

I. NEISA Specific Action Items

A. NEISA Reps on Competition Committee looking for feedback on parameters for conferences keeping or losing automatic qualifiers

1. Two Potential Proposals -

a) Higher numbers (6 for Open; 5 for Womens)

(1) Bare minimum four for single handed and team racing; 5 for fleet racing

(2) Continue utilising membership reports for determining berth allocation

b) Alternative: Zero Automatic Qualifiers (Solely Based on Competitive Strength; Purely at-Large System)

2. Building NEISA case with data (avoiding focus on just match/single handed racing; address fleet racing as well)

3. Developing expectation or requirement to circumvent teams from putting together last minute races with few competitors to meet numbers by May

II. New Business

A. Lynne Marchiando Team Race being split into two separate events run out of MIT

1. Revitalize NEISA team racing ranking committee to rank teams to go into specific events at MIT to create most even team races of that weekend

2. Teams can only compete in one event (not a drafted event)

3. Change at request of host

III. Closing

A. If you need to speak with Frank, contact him for with a call or text

1. Primarily Monday and Wednesday or in the morning for best results
