

Draft Committee Report

The NEISA Draft Committee composed of Frank Pizzo, David Thompson, and Mike O'Connor met to discuss the NEISA Scheduling Draft. The committee is looking for one additional member. The committee came forth with the following recommendations:

1. Keep the Open Cross Regional Draft Order and Team Race Draft Orders the same.
2. Remove the following events from the draft:
 - a. Rudkin Team Race
 - b. Friis Trophy (Same weekend as the Staake, having both events based on PR allows top 16 to have a NEISA TR that weekend)
3. Add the following events to the draft:
 - a. Thompson Trophy
 - b. McMerrick Team Race
4. Replace the Women's Out of Conference Draft with a Women's Spring CR/R Draft. This draft would include the spring Women's Team Races and the Navy Spring Women's Fleet Race Regatta.
 - a. The draft order would be as follows: 1-4, 1-6, 7-10, 1-10, 1-16, repeat
 - b. The Dellenbaugh TR would not be in the draft and would be filled based on PR. This event is the same weekend as the Women's Team Race Qualifier for the Qualifier. This keeps it consistent with the Open TR format.
 - c. Rhody the Riveters FR and Emily Wick Trophy FR will be selected based on PR
